主題：We learn from others, by following their steps or by not repeating their mistakes. Discuss three features that other schools can learn from your school (approximately 250-300 words). (100%)

格式

What other schools can learn from my school

Introductory paragraph Get your readers interested in reading your writing. End this paragraph by telling readers what the next three body paragraphs will be about.

Body paragraph 1 Talk about feature number 1 of your school. Explain this feature and what other schools can learn from it. Support what you say with an example or more detailed description.

Body paragraph 2 (Feature number 2)

Body paragraph 3 (Feature number 3)

Conclusion paragraph Make a transition from the body paragraphs to the conclusion paragraph. Briefly summarize the main features mentioned in body paragraphs 1~3; or paraphrase the most important sentence in your essay. Finally relate this article to your life in a positive way.

Note: An appropriate essay format is required. DO NOT use an outline format. The essay will be judged by its content and organization, spelling, grammar, and punctuations.
