Write a 150- to 200-word essay to compare or contrast two famous people in Taiwan. They can be celebrities of any kind: writers, journalists, politicians, singers, actors, activists, etc. If you don't know their English names, you may transliterate(譯音)them into English. You are asked to pay attention to the following guidelines:

- ✓ Have a thesis statement that expresses your attitude about the two people.
- ✓ Include an introduction paragraph, developmental paragraphs and a conclusion paragraph.
- ✓ You may want to emphasize the differences and/or similarities between the two people.
- ✓ Use transitional words or phrases for cohesion in this type of essay such as (but not limited to) ***in contrast to, on the other hand, unlike before, unlike, different from, but, moreover, in addition, first, next, besides, furthermore, similarly, in the same way, on the other hand***, etc.
