Few useful thing to take notes:

- Once article is published as OA, the article is unable to reverse back to non-OA article.
文章一旦以OA發表，將無法轉成非OA。
- If author chooses not to publish the accepted manuscript as OA however institution admin approves OA funding through touch-free workflow, ACS will notify the author to explain the OA funding from the institution and have author decide OA or non-OA again. Institution admin will be copied in ACS communication to author. If author keeps their choice of non-OA, approved OA funding from institution will be cancelled and OA token will be returned to institution.
若作者選擇不要OA，且經過管理者或ACS提醒後仍維持相同決定，文章會以非OA方式發表，機構已經Approved的APC Tokens將會被退還。*所有與作者溝通的信件皆會副本給管理者
- If author and institution admin require any support such as updating corresponding author email address, feel free to contact OAOps@acs.org.
若作者或是機構管理者有任何疑問，歡迎聯繫OAOps團隊
